Purple Days

A Classic Color Heads to Class

PHOTOGRAPHED BY Jacob Pritchard

HAIR & MAKEUP BY Chuck Jensen

MODELED BY Tiffany Lee, Daphne Lee, & Aqura Lacey
of the Ailey/Fordham BFA Program

Once upon a time only the wealthiest elite could afford purple clothing. The dye was extremely rare—it came from a sea snail! You don't have to be an aristocrat to wear the royal shade now. We found rehearsal pieces in periwinkle, puce, plum, lavender, lilac, violet, and orchid. Wear one tone head to toe or mix different hues for variety. If you want to strut your stuff, get some purple power!
