- I will greet this day with love in my heart.
- I am a winner.
- I am in control.
- I will think before I act.
- I will listen to learn.
- I will pay attention with my mind, body, and spirit.
- I will treat others with courtesy and respect at all times.
- I will treat others as I would like to be treated.
- I will keep a positive attitude all day, every day.
- I will not use the word “can’t” to define my possibilities.
