Alvin Ailey Perform Revelations in Celebration of Black History Month

February 15, 2018

In honor of Black History Month, we spoke with Alvin Ailey stars Constance Stamatiou and Jamar Roberts on what it means to be performers of color in the dance world. Hear about their upbringing, obstacles they've faced in the industry, and what being part of a renowned African American dance company means to them. All performed over a riveting rendition of "Fix Me Jesus" from Alvin Ailey's Revelations.
