The Ailey organization manifests founder Alvin Ailey's belief that "dance came from the people and that it should always be delivered back to the people" with Ailey All Access, a series of digital dance offerings including online streaming of performances, dance and fitness classes, educational programs and original short films created by the Ailey dancers.

Since the coronavirus pandemic caused the suspension of Alvin Ailey American Dance Theater's United States tour, this initiative allows audiences around the world to enjoy the Ailey spirit through full length works from the repertory of Alvin Ailey American Dance Theater and the second company, Ailey II.
